 - LinkedIn Learning (UX Design, Accessibility, Usability Testing, Design Thinking))
-

PROFESSIONAL EXPERIENCE

Independent UX Designer

2025–Present

- Designed end-to-end UX case studies, from user research to high-fidelity prototypes.
- Conducted heuristic evaluations and usability reviews to identify user experience improvements.
- Created user flows, wireframes, and interactive prototypes in Figma using accessibility best practices.
- Strengthened UX skills through independent projects, continuous learning, and design exploration.

UX/UI Designer Jr. Innovation Challenge – City of Kingston (Academic Client Project)

Aug 2024 – Dec 2024 | Hybrid

- Conducted user research through interviews and surveys to understand the needs of students, parents, and educators.
- Created user personas, journey maps, user flows, wireframes, and interactive prototypes in Figma.
- Collaborated with stakeholders to design an accessible civic engagement platform for youth innovation.
- Presented research findings and design solutions to project stakeholders, incorporating feedback into the final design.

UI/UX Researcher Intern
Vosyn.ai (Accessibility Team)

Aug 2024 – Nov 2024 | Remote

- Conducted accessibility audits to identify usability issues and improve WCAG compliance.
- Performed user research through surveys and interviews to better understand accessibility challenges.
- Designed accessible wireframes and contributed to improving the design system.
- Delivered accessibility recommendations and collaborated with the UX team to promote inclusive design practices.

UX Researcher
City of Kingston – Housing Research Project (academic Client Project)

Aug 2024 – Dec 2024 | Hybrid

- Conducted qualitative research to understand housing barriers faced by newcomers and refugees.
- Led stakeholder interviews, surveys, and affinity mapping to identify key user needs.
- Developed personas and synthesized research findings into actionable design insights.
- Presented research recommendations that supported discussions on improving community services.

EDUCATION

Post-Graduate Certificate in User Experience Design
St. Lawrence College, Kingston, ON
